

[YOUR CHURCH NAME] WORSHIP TEAM DISCUSSION

THE “WHY” MUST DRIVE THE “HOW”

Every now and then, it's a healthy practice for worship teams to go on a fact-finding mission about why we feel passionate about certain things.

Here are 4 critical questions that Worship Directors can discuss with their teams during team meetings.

These questions were originally shared by Jad Gillies (Hillsong) at an online training event organised by APCCS.

INCLUDING THE DISCUSSION

If you have a regular monthly (or bi-monthly) meet-up with your worship team, here's how you can consider including the discussion questions in your meeting agenda spanning 90 minutes.

- Open with prayer and short time of worship (15 mins)
- Word or sharing from Worship Director (15 mins)
- Discussion – incorporating the 4 questions (15 mins)
- Small-group development and prayer for one another (15 mins)
- Debrief time on past services/ Housekeeping matters and decisions to be made (15 mins)
- Announcements and upcoming events (15 mins)
- End with prayer, food & fellowship
